

Japan

LAND OF RISING INVESTMENT OPPORTUNITIES

Japan is the newest emerging foreign direct investment destination. The world's 3rd largest economy is actively opening its doors to foreign business; creating the best opportunities for overseas investors. It has greater market and innovative opportunities, a high quality business environment and globally competitive regulations. Join us to learn more about these rising investment opportunities with our speakers Hiroko Nishikawa Naumann, Aki Shimizu, and Minoru Okubo.

Wednesday, August 31st | 4:00 p.m. PST
