LIVING ROOM LAYOUT

INGREDIENTS:

- Sofa
- Loveseat
- 2 Chairs
- Coffee table.

- Depending on the rug size you can enlarge or shrink the room.
- Consistently works in large spaces.

Large art can help provide balance when your focal point is a fireplace or large entertainment center.

- Creating a space for conversation
- Find your focal point....

Focal point.... Or not??

KEEP IT SIMPLE

Perfect for...

- Smaller spaces
- Seating Nooks
- Apartment living

Master Suite Retreat

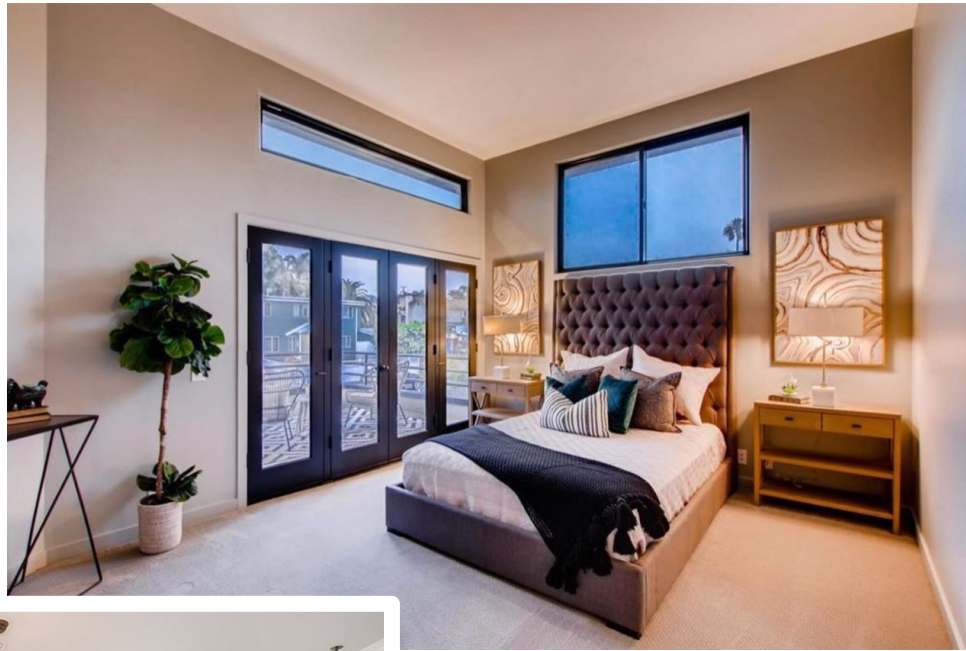

Pillows are the secret...

To the best made bed in town!

Using rugs under the bed can help define the area but also softens up the floors and creates a more luxurious look.

Art over the nightstands brings your eyes up and creates balance.

Symmetry is KEY.
